

1 the Judiciary Article to take the judges out of this.

2 DR. BURDETTE: I should like to advocate in this  
3 fourth line where it says, elected be eligible, be appointed,  
4 if a member of the Legislature should resign and be elected  
5 thereto, that the people should not be allowed the power  
6 to do that. In answer to Mr. Case's problem about the  
7 Court of Appeals because of the raise of salaries after  
8 he was appointed, the application would be just to the  
9 appointment process.

10 MR. CLAGETT: Mr. Chairman, I have another  
11 problem here and that is, suppose as we provide in the  
12 Political Subdivision Article that antagovernmental  
13 authority is created superimposed on top of an existing  
14 county and municipal or municipal combination and the  
15 restriction here would prevent any senator or delegate  
16 from such an appointment and that would be a very grievous  
17 or could possibly be a very grievous loss of the exper-  
18 ience and value of that man in such a position.

19 I don't know that we have really got to that  
20 problem.

21 DR. BURDETTE: I think the intent of this
